**RE:** Adoption of Resolution to Continue Teleconference Meetings

---

**Recommendation**

Recommend that the Board of Directors reconsider the circumstances of the COVID-19 state of emergency, and either adopt a resolution finding that the state of emergency continues to directly impact the ability of the Board to meet safely in person or direct that Board meetings return to in person.

**Background**

At the March 25, 2020 Board of Directors meeting, in response to the COVID-19 health emergency that federal, state and local governments are all addressing, SunLine Transit Agency and SunLine Services Group proclaimed an emergency situation as outlined in Resolution No. 0775. Over the last two (2) years, the Board has continuously evaluated the resolution and made decisions regarding the need to extend the declaration.

SunLine's Board and Committee meetings have been conducted pursuant to the Governor's Executive Orders N-29-20 and N-08-21 suspending certain provisions of the Brown Act and permitting the use of teleconferencing for members of the body and the public. Those Executive Orders expired on September 30, 2021. In their place, the Governor signed AB 361, which went into effect on October 1, 2021. AB 361 amended the Brown Act to permit members of a legislative body to teleconference into a meeting during a state of emergency proclaimed by the Governor. Teleconferencing by members of the body under AB 361 can be done without having to comply with the requirement that the agenda list the location where members will be teleconferencing from, posting an agenda at that location, and allowing members of the public to attend the meeting from the teleconference location.

To teleconference under AB 361, the legislative body must make findings that either:

- a) State or local officials are imposing or recommending measures to promote social distancing, or

b) “As a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.”

If a teleconference meeting is held under AB 361, the body must reconsider the circumstances every 30 days and make new findings to support the need to continue to teleconference under AB 361.

The Board adopted Resolution No. 0787 authorizing Board and Committee meetings to be held via teleconference under AB 361 at its October 27, 2021 meeting. AB 361 requires the Board to reconsider the circumstances of the state of emergency every 30 days and determine that either i) The state of emergency continues to directly impact the ability of the members to meet safely in person; or (ii) State or local officials continue to impose or recommend measures to promote social distancing. The Board reconsidered the circumstances of the state of emergency at its December 1, 2021, January 22, 2022, and February 23, 2022 meetings and adopted resolutions authorizing the continued use of teleconferencing to conduct meetings.

The proposed resolution makes the finding that the state of emergency continues to directly impact the ability of the members to meet safely in person. However, at the last Board meeting, the Board indicated that it wanted to consider potentially returning to in person meetings in June. The Board may adopt the resolution if it decides not to return to in person meetings in June, or it may not adopt the resolution which will result in the June Board meeting being fully in person.

### **Financial Impact**

As SunLine is already implementing teleconferencing for Board and Committee meetings, there is no anticipated additional cost associated with continuing to teleconference.

**RESOLUTION NO. 0795**

**A JOINT RESOLUTION OF THE BOARD OF DIRECTORS OF SUNLINE TRANSIT AGENCY AND SUNLINE SERVICES GROUP AUTHORIZING THE BOARD OF DIRECTORS AND ITS COMMITTEES TO CONTINUE TO IMPLEMENT TELECONFERENCING FOR CONDUCTING PUBLIC MEETINGS PURSUANT TO AB 361**

**WHEREAS**, on March 4, 2020, the Governor of California proclaimed a State of Emergency to exist in California as a result of the threat of novel coronavirus disease 2019 (COVID-19); and

**WHEREAS**, on March 12, 2020, the Governor of California executed Executive Order N-25-20 which suspended and modified specified provisions in the Ralph M. Brown Act (Government Code Section § 54950 *et seq.*) and authorized local legislative bodies to hold public meetings via teleconferencing and to make public meeting accessible telephonically or otherwise electronically to all members of the public seeking to observe and address the local legislative body; and

**WHEREAS**, on March 17, 2020, the Governor of California executed Executive Order N-29-20 which superseded and replaced the provisions of Executive Order N-25-20 related to the Brown Act and teleconferencing; and

**WHEREAS**, on June 11, 2021, the Governor of California executed Executive Order N-08-21 which extended the provisions of Executive Order N-29-20 concerning teleconference accommodations for public meetings through September 30, 2021; and

**WHEREAS**, on September 16, 2021, the Governor of California signed into law Assembly Bill 361 amending Government Code § 54953 and permitting members of a legislative body to teleconference into a meeting without having to comply with the requirements of subdivision (b)(3) Government Code § 54953 during a proclaimed state of emergency if a) State or local officials are imposing or recommending measures to promote social distancing, or b) the body finds that “as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees;” and

**WHEREAS**, AB 361 imposes requirements to ensure members of the public are able to attend and participate in public meetings of a legislative body conducted via teleconference, including:

- Notice of the means by which members of the public may access the meeting and offer public comment, including an opportunity for all persons to attend via a call-in option or an internet-based service option;
- The legislative body shall take no further action on agenda items when there is a disruption which prevents the public agency from broadcasting the meeting, or in the event of a disruption within the local agency’s control which prevents members of the public from offering public comments, until public access is restored;
- Prohibits the legislative body from requiring public comments to be submitted in advance of the meeting and specifies that the legislative body must provide an opportunity for members of the public to address the legislative body and offer comments in real time;

- Prohibits the legislative body from closing the public comment period until the public comment period has elapsed or until a reasonable amount of time has elapsed; and

**WHEREAS**, the Board of Directors adopted Resolution No. 0787 at its October 27, 2021 meeting making the findings required by AB 361 and authorizing Board of Director and Committee meetings to be held via teleconference; and

**WHEREAS**, pursuant to Government Code § 54953(e)(3), a legislative body that holds a meeting via teleconference pursuant to AB 361 must reconsider the circumstances of the state of emergency and make findings every 30 days to continue to meet via teleconference.

**THEREFORE, BE IT RESOLVED** by the Board of Directors of SunLine Transit Agency and SunLine Services Group, as follows (collectively “Board of Directors”):

SECTION 1. The Board of Directors hereby declares that the recitals set forth above are true and correct, and incorporated into this resolution as findings of the Board of Directors.

SECTION 2. The SunLine Transit Agency continues to follow safety measures in response to COVID-19 as ordered or recommended by the Centers for Disease Control and Prevention (CDC), California Department of Public Health (CDPH), and/or County of Riverside, as applicable. Based upon that guidance, in person attendance indoors at public meetings continues to present an imminent risk to the health and safety of attendees and those attendees have close contact with after attending a meeting in person. The Board of Directors desire to ensure that all persons desiring to attend public meetings may do so in a manner that protects the health and safety of the attendees, their families and other close contacts. While COVID-19 cases have dropped significantly, there are still members of the community to whom COVID-19 presents significant health risks, including the immunocompromised, the elderly, and those with underlying medical concerns. Teleconferencing will provide increased meaningful participation options for both members of the legislative body and members of the public in a manner that protects the health and safety of the attendees, their families and other close contacts.

SECTION 3. The Board of Directors hereby declare that, pursuant to the findings in Sections 1 and 2, the Board of Directors has reconsidered the circumstances of the state of emergency determined that it continues to directly impact the ability of the members to meet safely in person. The Board of Directors hereby authorizes the Board and its Committees to continue to meet via teleconference under AB 361 through December 2022, subject to the requirement that the required findings be made every 30 days.

SECTION 4. If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Resolution is, for any reason, held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Resolution. The Board of Directors hereby declares that it would have adopted this Resolution and each and every section, subsection, subdivision, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases, or portions thereof be declared unconstitutional.

SECTION 5. This Resolution shall become effective immediately upon adoption.
