RE: Approve Revisions to Advertising Policy No. B-020598

Recommendation

Recommend that the Board of Directors approve the revised Advertising Policy No. B-020598 which reflects revisions to the types of advertisements that are excluded in an effort to retain and build ridership.

Background

SunLine Transit Agency’s desire to sell advertisement space stems from the recognized need to earn revenues to supplement operating costs that are not otherwise met through farebox revenue, local, state and federal levies, taxes and grants.

In January 2015, the Board approved revisions to the Advertising Policy that incorporated guidelines for permitted and excluded advertisements. During a recent review, staff recognized the need to incorporate language that protects the Agency from accepting advertisements that are in direct competition with public transit or discourages the use of public transportation. Additionally, under item six (6), advertising content that “depicts or promotes the sale of alcohol, tobacco products, any illegal products, service or entity and/or firearms” was revised to include cannabis.

The attached revised Advertising Policy highlights the recommended revisions.

Financial Impact

No financial impact.

ADVERTISING POLICY

STATEMENT OF PURPOSE

SunLine Transit Agency (STA), acting in a proprietary capacity, operates public bus service in the Coachella Valley. STA’s desire to sell advertisement space stems from the recognized need to earn revenues to supplement operating costs that are not otherwise met through farebox revenue and local, state and federal levies, taxes and grants.

SCOPE

This policy applies to all SunLine Transit Agency employees or contractors.

ADVERTISING GUIDELINES POLICY

It is STA’s policy that its buses, bus shelters and any and all other forums for advertising under this policy are not public forums for political discourse or expressive activity.

These areas are not intended to provide a forum for all types of advertisements, but only the limited advertisements accepted under the policy. All advertising shall be subject to this uniform view point neutral policy.

Excluded advertising: Copy may not be displayed and, if displayed, will be removed by STA if it falls within the categories listed below.

In excluding said advertising, STA seeks to maintain a professional advertising environment that will maximize advertising revenue and minimize interference with or disruption to its transit system.

It further seeks to maintain an image of neutrality on political, religious and other issues that are not the subject of commercial advertising and may instead be the subject of public debate and concern. Finally, STA’s goal is to continue to build and retain ridership.

Subject thereto, a proposed advertisement will be excluded if Sunline, in its sole discretion, determines it:

income that funds its operations and to promote its services.

To realize the maximum benefit from the sale of space, all advertising programs must be managed in a manner that will generate as much revenue as practicable while ensuring that the advertising does not discourage use of the system, does not diminish STA's reputation in the communities it serves and is consistent with the goal of providing safe and efficient public transportation.
