**9. SunLine Regulatory Administration Draft FY 18 Budget  
(Robert Radi, Chair of the Taxi Committee; Staff: Luis Garcia)**

In accordance with the SunLine Services Group (SSG) Joint Powers Agreement, the Board of Directors must approve an annual budget. Staff has provided a draft FY18 SSG budget for discussion in preparation for approval at the upcoming June Board meeting

SunLine Agency Board Member Radi stated that the Taxi Committee met this morning and they reviewed the budget. There were some questions about clarification of some items but otherwise the committee members felt the budget was acceptable. He stated that we should have a presentation of major items from staff.

Jeanette Juarez, Budget Manager addressed the board and reviewed the SRA Budget:

Taxi has an approved budget of \$253,597 and this is a decrease of \$42,837 from FY 17 She stated that the taxi business as a whole continued to decrease due to other Transportation Network Companies and meter readings are expected to decrease by an estimated 15% in the upcoming year. To offset the decrease in the expected revenue we have decreased expenses reducing administrative salaries by 17% by having the Taxi Administrator and the Assistant Taxi Administrator be part-time and there are a total of four employees in that department. All other aspects of taxi revenue are expected to remain the same and that includes the driver vehicle inspection and permits.

SunLine Agency Board Member Kelly stated that it might be a helpful, since Jeanette very quickly eluded to the declining usage of taxis, that it is the intention of the committee in the next couple of months to focus on the impact of Transportation Network Companies and weather we might have an advocacy role where their impact on taxi revenue is concerned. Not just because we are interested in taxi revenue but because we are interested in assuring appropriate funding streams for maintenance of public transportation. She stated the underpinning of the budget is not something that we are just accepting without further inquiry.

SunLine Agency Board Member Pettis requested that when the committee does that maybe they could also look at longer term and is this something that we can eliminate the regulations and quit being a regulatory agency for taxis and allowing them to take care of themselves.

**10. Approval of Minutes**

SunLine Agency Board Member Pettis moved to approve the minutes of the April 26, 2017 Board Meeting. The motion was seconded by SunLine Agency Board Member Radi. The motion carried by a vote of 9 yes; 0 no;

**Recommendation**

Recommend that the Board of Directors adopt the proposed FY18 Budget.

**Background**

In accordance with the SunLine Services Group (SSG) Joint Powers Agreement, the SSG Board of Directors must approve an annual budget. The FY18 budget was brought before the committee on May 24, 2017, for discussion before the required approval in June.

The FY18 budget reflects a 14.45% decrease in expenses compared to the FY17 budget.

For the fiscal year 2018, SSG will collect \$253,597 to cover costs:

- \$156,497 Passenger paid surcharges
- \$80,900 Franchise vehicle permit fees
- \$13,350 Taxicab driver permit fees
- \$2,850 Fines, vehicle inspections, vehicle transfer, etc.

**Financial Impact**

The proposed budget is generated based on expected collection of revenue sufficient to sustain SRA's regulatory mandate provided by the SSG Ordinance.
