----- **INFORMATION** -----

**9. Modification of Pension Investment Manager Information
(Greg Pettis, Chair of Finance/Audit Committee;
Staff: Luis Garcia)**

In January 2016, staff brought forward an information item notifying the Board of our intent to solicit investment management services for the Agency's two (2) pension plans. In a collaborative effort between staff from SunLine and the Amalgamated Transit Union 1277, a new investment manager was selected through a competitive RFP process. (Page 28)

**10. Transportation Demand Management Outreach to Cities Information
(Staff: Vicky Castaneda)**

As part of SunLine's new Transportation Demand Management (TDM) and Vanpool program, we are reaching out to the Coachella Valley Employers, and each City as an employer, to help their respective employees with commute options. SunLine awarded the contract to WSP | Parsons Brinckerhoff. WSP Staff will be approaching and assisting each cities' human resources representative to provide informational material and incentives about this new program. (Page 29)

Budget Variance Analysis - SunLine Transit

Passenger Revenue - Unfavorable

- Fixed route ridership has continued to decrease. Ridership is currently at 5.1% below FY16 YTD amounts.

Other Revenue - Favorable

- Increase in CNG production and consumption has increased the CNG rebate and emission credit revenue

Operator & Mechanic Salaries & Wages - Favorable

- Operators on short & long term disability and vacant positions.

Operator & Mechanic Overtime - Unfavorable

- Operators on short & long term disability and vacant positions.

Administration Salaries & Wages - Favorable

- The favorable balance in administrative wages are attributed to vacant positions across the Agency.

Administration Overtime - Unfavorable

- Increased workload due to vacant positions.

Fringe Benefits - Favorable

- Fringe benefit expenses will increase during the first three months of the calendar year due to Federal Unemployment Tax Act (FUTA) taxes.

Communications - Unfavorable

- Communication expenses over budget due to the implementation of Wi-Fi on fixed route buses and transition into new data plan.

Legal Services - General - Unfavorable

- General legal counsel expenses were higher than anticipated for January. General legal counsel expense is still within an acceptable range of the budgeted amount.

Computer/Network Software Agreement - Unfavorable

- Computer/Network Software Agreements are within an acceptable range of the budgeted amount.

Uniforms - Unfavorable

- Uniform budget includes transitional fees associated with the change in uniform providers. Final payment to previous vendor reduced favorable amount.
- Transition to new uniform vendor caused a delay in initial bill reconciliation for purchase of uniforms. Payment of this invoice reduced the favorable balance.

Contracted Services - Favorable

- Savings primarily attributed to lower than expected proposals for custodial services.

Equipment Repairs - Favorable

- Equipment repair expenses are lower than anticipated.

Security Services - Unfavorable

- Security service expenses are within an acceptable range of the budgeted amount.

Fuel - CNG - Unfavorable

- Additional CNG consumption was required during issues with Hydrogen reformer.
- Commodity and transmission charges higher than anticipated.

Fuel - Hydrogen - Unfavorable

- Unfavorable balance attributed to mechanical issues with the Hydrogen reformer & the need to purchase Hydrogen.

Tires - Unfavorable

- Tire expenses are higher than anticipated due to increased miles traveled.

Office Supplies - Favorable

- Office supply purchases currently lower than projected. Expenses vary throughout the year as required.

Travel/Training - Favorable

- Travel & training savings can be attributed to varying times at which training sessions are attended.

Repair Parts -Unfavorable

- Several collisions have required an increase in repair parts spending.

Facility Maintenance - Unfavorable

- Annual sewage charge paid in September 2016.
- Purchase of additional decomposed granite (DG) for landscaping charged in December 2016.

Electricity - CNG & Hydrogen - Favorable

- Electricity expense savings primarily attributed to lower costs associated with lower Hydrogen production due to mechanical issues.

Natural Gas - Unfavorable

- Additional CNG consumption was required during issues with Hydrogen reformer.
- Commodity and transmission charges higher than anticipated.

Water - Unfavorable

- Water service expenses are within an acceptable range of the budgeted amount.

Insurance Losses - Unfavorable

- Insurance losses vary greatly from month to month. There were greater than normal losses in the first two quarters of the FY.

Insurance Premium - Property - Unfavorable

- Insurance premiums for property are within an acceptable range of the budgeted amount.

Repair Claims - Unfavorable

- Repairs complete on bus #564. In addition accident repairs paid in January 2017 for Paratransit vehicle 9865 contributed to the unfavorable balance.

Fuel Taxes - Unfavorable

- Fuel taxes attributed to additional consumption of CNG due to Hydrogen reformer issues.

Other Expenses - Favorable

- Savings primarily attributed to consulting & Year of Learning expenses not yet incurred.

Self Consumed Fuel - Unfavorable

- Additional CNG consumption was required during issues with Hydrogen reformer.
- Commodity and transmission charges higher than anticipated.

RE: Modification of Pension Investment Manager

Information

SunLine Transit Agency has two distinct self-administered pension plans for its Union and Non-Union employees. The assets for the two pension plans are held by the trustee, US Bank, and investments are directed by HighMark Capital Management under the guidance of SunLine's investment policy.

In January 2016, staff brought forward an information item notifying the Board of our intent to solicit investment management services. The solicitation was the direct result of management's overall goal of continuous improvement in all areas of SunLine's business practices. SunLine was able to procure a certified Chartered Financial Analyst to assist with the preparation, release and evaluation of the solicitation to ensure the most qualified proposer was selected.

Under the pension plans and trustee agreements, the pension committee or employer has the power over, and responsibility for, the management, disposition, and investment of the trust assets. Accordingly, two meetings were held on March 1, 2017 where both committees unanimously approved PFM Asset Management (PFMAM) to provide investment management services for the Union and Non-Union plans. Among other criteria, PFMAM stood out as the most qualified for its experience in the industry of public retirement plan asset management and competitive pricing.

RE: Transportation Demand Management Outreach to Cities

Information

As part of SunLine's new Transportation Demand Management (TDM) and Vanpool program, we are reaching out to the Coachella Valley Employers, and each City as an employer, to help their respective employees with commute options. SunLine awarded the contract to WSP | Parsons Brinckerhoff. WSP Staff will be approaching and assisting each cities' human resources representative to provide informational material and incentives about this new program.

6. Public Comments

7. Board Member Comments

SunLine Agency Board Member Strange stated that yesterday he attended a meeting in Sacramento with Assemblyman Garcia as well as a representative of California Air Resource Board (CARB) in regard to the SunLine Center of Excellence Program. Lauren Skiver, CEO/General Manager and staff have been working on this diligently over the last year and a half or even longer to train a workforce and educate in the zero emissions industry for large vehicles, trucks and buses. He stated that it went very well and we are looking forward to some follow up meetings as well as potential funding and being integrated into their funding process. Those were the discussions that we had and Lauren Skiver, CEO/General Manager could expound on that a little more specifically than he can but that was his event from yesterday.

Lauren Skiver, CEO/General Manager stated that it also turned into meetings that we are being invited to in front of the Transportation Committee. What we are trying to do, is that we have gotten two million dollars for the Center of Excellence, but we are looking for money to send participants to this training and we are looking for state money for that. She gave a big thank you to Board Member Strange for helping to facilitate the meeting and we thought it went really well with ARB.

SunLine Agency Board Member Martinez stated that he had worked for Assemblyman Garcia's office for a few years and he wanted to highlight the importance of his appointment to the ARB. This is part of legislation that he introduced and got signed, AB 197, that allows for two members of the legislature to join the ARB Board basically to represent disadvantaged communities He stated that it was Assemblyman Garcia and Ricardo Lara out of Los Angeles. The role of that was to have more oversight and input into where ARB dollars are going and being disbursed. He stated that the mission with the Assemblyman's office is to ensure that disadvantaged communities that are impacted by air quality issues are addressed readily. He stated that it is very important to keep an eye on and see what opportunity there might be for an agency like SunLine and perhaps tap into some money for the disadvantaged communities that the agency serves.

8. Consent Calendar

All items on the Consent Calendar will be approved by one motion, and there will be no discussion of individual items unless a Board Member requests a specific item be pulled from the calendar for separate discussion. The public may comment on any item.

13. CEO/General Manager's Report

CEO/General Manager, Lauren Skiver addressed the Board and stated that on their visit to Sacramento they were actually there for the swearing in of Assemblyman Garcia to the ARB by the Chairman and it was surreal to be there at that moment. The visit was very successful. She reminded the board that we put a Study Session on for March 30, 2017 and we will be using an outside facilitator who will be setting up interviews with you by phone. The purpose of these interviews is to gain information about where you see the agency going and your vision for changes both in service and in focus. Or whether you think the focus currently that we have been maintaining is appropriate for the agency. We will be looking forward to that feedback and incorporating that into the

Study Session. We will have information for you on the SRTP and the current plans we have for service but we also want to discuss what the future is and what you see for the future and some innovations that we may want to think about for customer satisfaction and for reaching our customer base more broadly. This is something that we are looking forward to doing and we haven't had a Study Session for about two years and we are excited about getting together with all of you and carving out the new focus for the agency in the coming years.

Lauren Skiver, CEO/General Manager wanted to thank Jim Rayl who keeps us on task and we will be participating in the Black History Month Parade this Saturday and we will be doing a potluck for staff at the agency. She extended an invitation to the board to attend these functions as they are always welcome at any of the events we do. She stated that we will be generating a better communication with the board about events more in advance with a monthly communication to the you about what's happening at SunLine so you can have the opportunity to change your calendar if available to attend.

That concludes my report.

14. Closed Session

Concluded discussion and there was no reportable action.

RE: Formal Selection of Pension Committee Members

Recommendation

Recommend that the Board of Directors approve the following nominations for pension committee members:

1. Non-Union Pension Plan:
 - a. Chief Financial Officer (Alton Hillis)
 - b. Deputy Chief Financial Officer (Luis Garcia)
 - c. Interim Deputy Chief Administration Officer (Stephanie Buriel)

2. Union Pension Plan:
 - a. Chief Financial Officer (Alton Hillis)
 - b. Deputy Chief Financial Officer (Luis Garcia)

Background

SunLine Transit Agency has two distinct self-administered pension plans for its Union and Non-Union employees. The pension plans each have a plan document providing guidance on retirement benefits and administration of the plan assets. Under both plan documents, the Board of Directors has the sole authority to appoint members to the pension committees. Under the Non-Union plan, the Board must appoint at least three (3) committee members. Under the Union plan, the committee must be comprised of two (2) members appointed by the Board of Directors, two (2) members appointed by the Union, and the fifth member must be selected by the four (4) appointed committee members.

Financial Impact

RE: Resolutions to Obtain Grant Funding

Recommendation

Recommend that the Board of Directors approve:

1. The attached [Resolution No. 0761](#) authorizing the execution of the Low Carbon Transit Operations Program (LCTOP) funding for Lines 80 and 81 Service Frequency Improvements.
2. The attached [Resolution No. 0762](#) for Certifications and Assurances which delegates authority to the CEO/General Manager to execute required documents for grants and obtain funding through the LCTOP.

Background

The State Legislature approved SB 862, the Cap and Trade trailer bill which establishes long-term funding programs from the Cap and Trade program for transit, sustainable communities & affordable housing and high speed rail. Five percent of these funds are appropriated by the State Controller and administered by Caltrans, to the Low Carbon Transit Operations Program.

The Low Carbon Transit Operations Program provides funding allocations based on criteria included in the Public Utilities Code which are based on population and farebox revenue. SunLine will be applying for an appropriated funding award of \$249,672 which can be utilized to reduce greenhouse gas emissions and improve mobility with a priority on serving disadvantaged communities.

Financial Impact

If awarded the requested amount, this grant will provide the Agency with state funding revenue of \$249,672.

SUNLINE TRANSIT AGENCY

RESOLUTION NO. 0761

RESOLUTION AUTHORIZING THE EXECUTION OF THE LOW CARBON TRANSIT OPERATIONS PROGRAM (LCTOP) PROGRAM: LINE 80 AND 81 SERVICE FREQUENCY IMPROVEMENTS FOR \$249,672

WHEREAS, the SunLine Transit Agency is an eligible project sponsor and may receive state funding from the Low Carbon Transit Operations Program (LCTOP) now or sometime in the future for transit projects; and

WHEREAS, the contract for financial assistance will impose certain obligations upon the applicants, including the provision by it of the local share of the project costs in the program, and

WHEREAS, the statutes related to state-funded transit projects require a local or regional implementing agency to abide by various regulations; and

WHEREAS, Senate Bill 862 (2014) named the Department of Transportation as the administrative agency for the LCTOP; and

WHEREAS, the Department of Transportation has developed guidelines for the purpose of administering and distributing LCTOP funds to eligible project sponsors (local agencies); and

WHEREAS, the SunLine Transit Agency wishes to implement the LCTOP projects listed above,

NOW THEREFORE, BE IT RESOLVED by the Board Of Directors of SunLine Transit Agency that the fund recipient agrees to comply with all conditions and requirements set forth in the applicable statutes, regulations and guidelines for all LCTOP funded transit projects.

NOW THEREFORE, BE IT FURTHER RESOLVED by the Board Of Directors of SunLine Transit Agency, that it hereby authorizes the submittal of the following project nominations and allocations requests to the Department in FY 2016-17 LCTOP funds:

Project name: LINES 80 AND 81 SERVICE FREQUENCY IMPROVEMENTS

Amount of LCTOP Funds Requested: \$249,672

Description of project: This project will improve the service frequency on the fixed routes that operate in the disadvantaged community of Indio.

SUNLINE TRANSIT AGENCY

RESOLUTION NO. 0762

RESOLUTION AUTHORIZING THE EXECUTION OF THE CERTIFICATIONS AND ASSURANCES AND AUTHORIZED AGENT FORMS FOR THE LOW CARBON TRANSIT OPERATIONS PROGRAM (LCTOP)

WHEREAS, the SunLine Transit Agency is an eligible project sponsor and may receive state funding from the Low Carbon Transit Operations Program (LCTOP) now or sometime in the future for transit projects; and

WHEREAS, the contract for financial assistance will impose certain obligations upon the applicants, including the provision by it of the local share of the project costs in the program, and

WHEREAS, the statutes related to state-funded transit projects require a local or regional implementing agency to abide by various regulations; and

WHEREAS, Senate Bill 862 (2014) named the Department of Transportation as the administrative agency for the LCTOP; and

WHEREAS, the Department of Transportation has developed guidelines for the purpose of administering and distributing LCTOP funds to eligible project sponsors (local agencies); and

WHEREAS, the SunLine Transit Agency wishes to delegate authorization to execute those documents and any amendments thereto to the Chief Executive Officer/General Manager.

NOW THEREFORE, BE IT RESOLVED by the Board Of Directors of SunLine Transit Agency that the fund recipient agrees to comply with all conditions and requirements set forth in the Certification and Assurances and the Authorized Agent documents and applicable statutes, regulations and guidelines for all LCTOP funded transit projects.

NOW THEREFORE, BE IT FURTHER RESOLVED that the Chief Executive Officer/General Manager be authorized to execute all required documents of the LCTOP program and any Amendments thereto with the California Department of Transportation.

RE: Project Support for CARB Funded Project

Recommendation

Recommend that the Board of Directors delegate authority to the CEO/General Manager to negotiate and execute an agreement with Zen Clean Energy Solutions ("Zen") in an amount Not to Exceed \$245,000 for 38 Months of Project Support for the New Flyer Hydrogen Bus and Hydrogen Electrolyzer Programs.

Background

SunLine competed and won a grant with the California Air Resources Board (CARB) for a hydrogen electrolyzer and 5 fuel cell electric vehicles in the amount of \$12,586,791. SunLine will be one of only a few Transit Agencies in the nation utilizing this new fuel cell bus platform.

Zen will manage and status all tasks included in the grant agreement between the California Air Resources Board (CARB) and SunLine. Zen will act as the single point of contact with CARB and any other funding agencies and manage all quarterly updates to funders, team meetings and communications, and contractual changes in the grants through the duration of the project.

Zen is comprised of zero emissions engineering and programming personnel. SunLine has worked with Zen personnel on its existing Hydrogen Fuel Cell Bus platforms.

SunLine staff wants to ensure that it maximizes the benefits of this capital investment by securing essential expertise to perform the programming and project support that will ensure the success of this CARB funded project.

Reason for Selection of Procurement Process

Zen has a unique skillset that is not present in the open market. Therefore, SunLine will utilize Zen as a single source of supply for this unique technical expertise to support its hydrogen transportation programs and assist with project management.

Reason for Selection of Contract Type

A Labor Hour Contract will be utilized because the contractor will be paid for their labor in support of the project. The contract will contain a Not to Exceed Amount that the contractor exceeds at their own risk and expense.

Reason for Selection of the Contractor

Zen personnel have been involved in the evolution of Proton Exchange Membrane electrical generation systems for transit agencies for 7 years and has personnel that has demonstrated an understanding of all aspects of specialized funding and system delivery requirements related to SunLine's hydrogen bus systems.

How Price was Determined Fair and Reasonable

Rates negotiated will be compared to market rates and determined fair and reasonable by staff.

Financial Impact

Funds for this effort will be from Capital Project Funds budgeted for this purpose. SunLine has \$1,500,000 for the Refurbishment of the Existing Hydrogen Fueling System.
