- Taxi franchises pay the full year’s vehicle permits during the peak months of October through April.
- As of January, SunLine Regulatory administration will no longer be collecting a meter reading revenue, instead it will be collecting a Taxi Business Permit fee.

Salaries and Wages - Unfavorable

- In January the Taxi investigator position was eliminated and additional expenses were incurred to close out the position.
- Allocated salary expenses have been higher November through January to assist with Agency needs. The addition of Taxi Administrator will reduce allocated expenses for the remainder of the fiscal year.

Fringe Benefits - Favorable

- Fringe benefit savings are within an acceptable range of the budgeted amount.

Services - Favorable

- Service expenditures are within an acceptable range of the budgeted amount.

Supplies and Materials - Favorable

- The favorable variance is mainly attributed to savings in office supply costs, and repair part expenses.

Utilities - Favorable

- Utility expenses are within an acceptable range of the budget.

Casualty and Liability - Favorable

- Casualty and liability expenses are within an acceptable range of the budget.

Taxes and Fees - Unfavorable

- Unfavorable balance is attributed to increased use of support vehicles.

Miscellaneous - Favorable

- The favorable balance is mainly attributed to travel and training expenses, and membership and subscription fees not incurred.
